Dear Officer:

Please be noted that I have changed my address to 22 Sunrise Bay Blvd., Tuckerton, NJ 08087 from 67-08 168th Street, Flushing, NY 11365. My new telephone number is (609) 812-0647.

I have a patent application, #10/092,638, which is approved. This new patent will be issued on February 15, 2005. Would you kindly send the new patent to my new address?

Also, I found a mistake made in my patent list. The patent, # 6,802, 581, is not belonged to me. It belongs the following persons: Klevin Hasseler (Murrieta, CA) and Yaguang Liu (**San Diego, CA**). We have the same name but are different person. Would you kindly remove the patent #6,802,581 from my patent list of USPTO Patent Full-Text and Image Database?

Thank you for your attention,

Sincerely yours,

Yaguang Liu
